

T20

510MM HIGH SPEED POLISHING MACHINE

Tornado T20 variable speed 20" polisher. With a very powerful 240 volt 10 amp 4kw motor and variable speed the T20 is capable of fast cutting with Tornado 200 grit Vortex pads right through to final polishing and buffing on any hard surface. From concrete to stone, the T20 excels.

Product Details			
Voltage	240v	Frequency	50/60Hz
Motor	5.5hp (4kw)	Disc Speed	0-1800rpm
Inverter	5hp (3.7kw)	Grinding Width	510mm
Current	10A	Weight	80kg

Main Features

- Variable speed
- 20" 510mm grinding width
- 5.5hp 4kw motor
- 0-1,800rpm disc speed
